

More Creative Window Treatments: Complete step-by-step instructions with full-color photos for over 60 distinctive window treatments

The best just got better. We've updated this fantastic book to include the latest in window fashions. This revision includes some more modern window treatments such as shades, contemporary curtains, and even shoji-style screens. From selecting a window treatment to draping a swag, this companion to Creative Window Treatments covers everything readers need to know to make decorator-style window treatments themselves. Included is information on shades, curtains, top treatments, and alternative treatments such as frosted windows and screens. Over 400 color photos make it easy-to-follow.
