

From Head to Toe: Bound Feet, Bathing Suits, and Other Bizarre and Beautiful Things

Shortlisted for the Rocky Mountain Book Award Included on VOYAs ninth annual Nonfiction Honor List Named Notable Book by the International Reading Associations Childrens Book Award in the intermediate nonfiction category Did you know that: in some parts of sixteenth-century Europe, men wore their beards so long that they had to wrap the ends around their waists like a belt to be able to walk? the high heel shoe caught on because it was the perfect solution to the problem of hopelessly muddy and waste-filled streets in cities like London and Paris? women have, at various times, used soot, ground ants eggs, beet juice, and poisonous lead as makeup? Throughout history we have bound our feet until they broke, piled our necks with jewelry until our chests collapsed, cinched our waists in corsets until we couldnt breathe. Why do we do these things to ourselves? From Head to Toe travels across thousands of years and through countless cultures and countries to explore the story of fashion in its weirdest, wildest, and most wonderful forms. Whimsical illustrations, sidebars, quick hit margin quips, and a useful index round out this fun-filled tour of fashion history.
