

Teens in Canada (Global Connections)

Living in the second largest country in the world, Canadian teens are spread across 10 provinces and three territories. They come of age in a diverse and multicultural nation, but they share many common experiences beyond cold winters and a love of hockey. They work part-time jobs, go shopping with friends, and celebrate Canada Day and other special occasions. Teens in Canada is part of Global Connections, a series that uncovers the challenges, pastimes, and customs of teens around the world.
