

The Apothecary Rose: The Owen Archer Series - Book One

Suspenseful, historically accurate, and blessed with a wonderful cast of characters, THE APOTHECARY ROSE is an absolute delight from start to finish... ? Charles de Lint, author of the Newford Series In the year of our Lord 1363, two suspicious deaths in the infirmary of St. Marys Abbey catch the attention of the powerful John Thoresby, Lord Chancellor of England and Archbishop of York. One victim is a pilgrim, while the second is Thoresbys neer-do-well ward, both apparently poisoned by a physic supplied by Master Apothecary Nicholas Wilton. In the wake of these deaths, the archbishop dispatches one-eyed spy Owen Archer to York to find the murderer. Under the guise of a disillusioned soldier keen to make a fresh start, Owen insinuates himself into Wiltons apothecary as an apprentice. But he finds Wilton bedridden, with the shop being run by his lovely, enigmatic young wife, Lucie. As Owen unravels a tangled history of scandal and tragedy, he discovers at its center a desperate, forbidden love twisted over time into obsession. And the woman he has come to love is his prime suspect. Lovingly detailed, beautifully written, THE APOTHECARY ROSE is a captivating and suspenseful tale of life, love, and death in medieval England.
