

Cartomancy

Mary Gentle is one of Britain's most outstanding writers of imaginative fiction, able to move seamlessly from science fiction to fantasy within the same story. Following on from the success of *ASH, 1610: A SUNDIAL IN A GRAVE* and the omnibus volumes *WHITE CROW* and *ORTHE*, comes *CARTOMANCY*, the definitive collection of Mary Gentle's short fiction. *CARTOMANCY* includes the stories from *SOLDIERS AND SCHOLARS* as well as a number of tales previously unpublished in book form, all with new afterwords and topped and tailed with a specially revised version of her split story *Cartomancy*.
