

Behind the Veil (A Celeste Cross Book, #2)

Celeste wakes up in the driving rain. She has no idea where she is, and all she can see is a sizzling electric fence surrounding her on all sides. Then the demons come. Jack knows she's been kidnapped, but unless he can get to Celeste before Shadow does, he'll lose her for good. Set in the jungles of Central America, *Behind the Veil* follows Celeste and Jack as they are plunged deeper into their world of intrigue and danger, but thrust closer together at the same time.
