

Chamber Music

This early work by James Joyce was originally published in 1907 and we are now republishing it with a brand new introduction. Chamber Music is a collection of Joyces poetry. James Joyce was born in Dublin, Ireland in 1882. He excelled as a student at the Jesuit schools Clongowes and Belvedere, and then at University College Dublin, where he studied English, French, and Italian. Joyce produced several prominent works, including: Ulysses, A Portrait of the Young Artist, Dubliners, and Finnegans Wake. He is widely regarded as one of the most influential writers of the early twentieth century and his legacy can be seen throughout modern literature.
