

Charles Lamb the Llyods: Comprising Newly Discovered Letters of Charles Lamb, Sanuel Taylor Coleridge, the Lloyds, Etc (Classic Reprint)

Excerpt from Charles Lamb the Llyods: Comprising Newly Discovered Letters of Charles Lamb, Sanuel Taylor Coleridge, the Lloyds, Etc This book grew from the discovery, in 1894, of two masses of correspondence relating to the family of Charles Lloyd (1748-1828), the Quaker philanthropist and banker of Birmingham. The papers, which are very numerous, contain upwards of twenty new letters of Charles Lamb, some of them worthy to rank with his best, and others, also hitherto unpublished, of Samuel Taylor Coleridge, William Wordsworth, Thomas Manning, Robert Southey, Thomas Clarkson, Anna Seward, Catherine Hutton, Priscilla Lloyd (1781-1815), who married Christopher Wordsworth, Charles Lloyd the poet (1775-1839), Robert Lloyd his brother (1778-1811), and Mr. Lloyd himself. With the aid of these letters, and information contained in volumes bearing upon the period, it has been possible to tell, at any rate in outline, the story of a notable family. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
