

## Classical Composers: A Home in Your Head for the Musical Masters (Memory Palaces for Young People Book 1)

Who came first, Gershwin or Liszt? Wait, who WAS Liszt? Who was Robert Schumann's favorite composer? There was a composer who composed... Nothing? In this book you will find a fast and fun way to learn about the classical composers - and never forget them! Within minutes you can learn the names and nationalities, historical periods and some of the best known works of 14 of the most famous composers in history. Impress your friends by being able to say them backwards and forwards (and the era in which they lived!) with ease. This book is a versatile resource for students to use alone or with a teacher.
