

The Dealer (CHERUB)

CHERUB is an elite intelligence organization that employs agents under the age of seventeen. Because of their age, CHERUB agents have an unparalleled advantage in the realm of espionage: No one would ever suspect teenagers to be agents. Rigorously trained and exceptionally talented, CHERUB agents will stop at nothing to accomplish their missions. James is on his most daring mission yet: to smack down the worlds most powerful drug lord. It means hitting the streets, where the dealers work, and its a vicious business. But James is going to take it down...from the top.
