

Weight Loss for Kids - 73 Ways To Prevent Childhood Obesity

#1 Amazon Bestseller in Childrens Health and Childrens Fitness and Exercise Looking for Simple Weight Loss Tips for Kids? Many of These Tips are so Fast and Easy to Apply the Day You Open This Book! Written by a mother-daughter team, 73 Ways to Prevent Childhood Obesity is derived by research (references listed at the end of this book), case studies, and/or personal experience, which were devised to counter the 22 Reasons Why Kids Are Fat which are shared at the beginning of the book. You need to read this book because 1 in 4 kids are overweight, and 1 in 5 kids are obese in America today. American families are living very fast-paced, unhealthy lifestyles. Mothers are a child's biggest role models, and with 2 in 3 adults are overweight or obese it's absolutely necessary that parents make critical life changes today! >>> For Limited Time Only \$0 or 99-cents. Regular price \$3.97. In this book, you will learn 22 Reasons Why Kids are Fat today. The 73 Tips are not meant to be an exhaustive list. It is meant to serve as a motivational tool to demonstrate proven concepts or ideas that can help your family develop a healthy, nutritious lifestyle together. Many ideas are innovative and creative, while others are tried-and-true common-sense natural living tips seldom implemented today in the fast-paced time-crunched lifestyle of the West.
