

The Well of Sacrifice

Eveningstar Macaw lives in a glorious Mayan city in the ninth century. When the king falls ill and dies, the city begins to crumble. An evil high priest, Great Skull Zero, orders the sacrifice of those who might become king, including Eveningstars beloved brother. Suspicious of the High Priests motives, Eveningstar attempts to save her brother, thus becoming an acknowledged enemy of the High Priest. Condemned to be thrown into the Well of Sacrifice, Eveningstar must find a way not only to save her own life but to rescue her family and her city from the tyrannical grasp of Great Skull Zero. Set against the vivid background of everyday life at the height of the Mayan golden age and illustrated with striking black-and-white paintings, Eveningstars candid, gripping, and not-for-the-faint-of-heart account of the last days of a great city will have readers at the edge of their seats.
