

The Immortal Circus: Act Two (Cirque des Immortels Book 2)

Vivienne is almost content with her new life in the Cirque des Immortels. She has moved up from selling cotton candy to telling fortunes, she has a gorgeous, magical boyfriend, Kingston...and no one has been murdered since the clash between the otherworldly Courts. Her life under the faerie big top would be perfect, in fact, if not for the nightmares and visions that compel her to seek and confront her half-remembered past. But for Viv, not knowing her past may well be a blessing. There's a reason she ran away. But can she truly escape herself? The second act of the fantastically evocative Cirque des Immortels series, *The Immortal Circus: Act Two* draws readers further into a world that's at once wonderful, seductive...and deadly. Step right up... This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book. Learn more about Kindle Serials
