

Pyros (A SkinWalker Novel #1.5) (DarkWorld: SkinWalker)

Logan Westin, the brooding hunk that steals Kailin Odels heart in SKIN DEEP. Even the fact that shes a panther shifter and hes plain old human couldnt stop the sparks from flying between those two. But Logan has his own little secrets, a history that weighs down on him, memories that seem to escape him. PYROS tells you where Logan comes from both in the origin of his powers and the source of his troubled mind. Pyros can be read before reading SKIN DEEP to maintain the chronology of the books.
