

## Diary Of A Dieter (Confessions Book 1)

Curvy girl, Charlene Winters, had it all: the great career, wonderful friends and a dreamy fiancé. With her wedding day just three weeks away, Charlene is dealt a devastating blow. Suddenly finding her life, hopes and plans in tatters, the jilted bride sinks into despair and a tub of Ben and Jerry's cookie dough. With the heartache of her fiancé's infidelity still fresh, Charlene is whisked away by her friends on a life-changing holiday. But how will this big fish cope now that she's back in the dating pond and surrounded by slender trouts with Botox lips? Frustrated by best friend Adam thwarting her attempts at romance, and her girls Vanessa and Dana eager to set her up with a boy toy, Charlene decides the time for change is upon her. What she needs is a change of scenery, a change of dress size and maybe, a change of heart.
