

## THE HITWOMAN UNDER PRESSURE (Confessions of a Slightly Neurotic Hitwoman Book 15)

Maggie Lees dedication to her family knows no limits. Even though her life is in chaos, she'll take any chance to repair her fractured family. All she has to do is: Get out of the loony bin Eliminate the killer who's hunting her sister Make sure her family doesn't go off the rails (yup, this one's the toughest) Thankfully she's got the help of an ex-lover, a conman, and a sexy sailor, along with her psychic friend, her loyal, but bickering, pet, and her favorite mob boss. If only she could rely on them to help her stop the man who wants her sister dead. With two hitmen already killed for going after him, Maggie could use all the help she can get. Maggie's skills (and sanity) are put to the test and the stakes have never been higher.
