

The Iron Rider (A Dance of Dragons #3.5)

From bestselling author Kaitlyn Davis comes the fourth and final companion novella to the thrilling A Dance of Dragons series--perfect for fans of Sarah J. Maas, Kristin Cashore, and Tamora Pierce! Princess Leena has finally discovered her fate--she's a dragon rider, humanity's only protection against the shadow. But deep in her heart, Leena hasn't forgotten about her homeland and the promises she made before waking her dragon. So when the shadows' phantom armies threaten Daastiku, Leena jumps at the chance to return home and confront the king. No longer the powerless princess she once was, Leena will do whatever it takes to prove to her father and to her people that love is so much stronger than hate and that hope is far more powerful than fear. Taking place parallel to the events in THE PHOENIX BORN, read Leena's side of the story as she seeks to end her father's reign and bring a new era of peace to Ourthuro.
