

Crave (Tainted Angels Book 1)

THIS IS THE FIRST BOOK IN THE TAINTED ANGELS SERIES AND IS A STAND ALONE NOVEL WHICH CAN BE READ BY ITSELF. Willa Eden is used to being different. As an angel she shouldn't have the dark thoughts she has on a regular basis. She is a soul saver for the Emyrean but since hitting her twenty first birthday, Willa knows she's much more than that. So much more. And it isn't until she meets the arrogant and voracious demon, Rax Torres, that Willa finally finds out just how unique she is. What should be impossible becomes possible and what her body should never crave becomes too formidable to ignore. Willa's unique blood can save the demons that are infected with The Virus and are dropping like flies around her Rax included. All they have to do is taste a drop. But there's a catch. Willa's blood will also kill anyone who is granted even a single drop. This book contains explicit sexual scenes and strong language. It is recommended for readers age 18+
