

Cupcakes, Trinkets, and Other Deadly Magic (Dowser Series Book 1)

If youd asked me a week ago, I would have told you that the best cupcakes were dark chocolate with chocolate cream cheese icing, that dancing in a crowd of magic wielders the Adept was better than sex, and that my life was peaceful and uneventful. Just the way I liked it. Thats what twenty-three years in the magical backwater of Vancouver will get you a completely skewed sense of reality. Because when the dead werewolves started showing up, it all unraveled except for the cupcake part. Thats a universal truth.

--- This 68,000 word urban fantasy is the first book of the Dowser Series by author Meghan Ciana Doidge.
