

No-one Ever Has Sex on a Tuesday

A very funny romantic novel (... and no. 1 ebook bestseller) Childhood sweethearts Matthew and Katy agree they must never see each other again following a school reunion. So all is forgotten ... until eight months later when a shock meeting at an antenatal class forces them to confront the fact that Matthew could be the father of Katy's baby. Love and life are messy, but Katy and Matthew take things to a whole new level as deep emotions begin to resurface and hormones run riot. Never has a one-night-stand led to such chaos!
