

Reading Chekhov: A Critical Journey

To illuminate the mysterious greatness of Anton Chekhov's writings, Janet Malcolm takes on three roles: literary critic, biographer, and journalist. Her close readings of the stories and plays are interwoven with episodes from Chekhov's life and framed by an account of Malcolm's journey to St. Petersburg, Moscow, and Yalta. She writes of Chekhov's childhood, his relationships, his travels, his early success, and his self-imposed exile, always with an eye to connecting them to themes and characters in his work. Lovers of Chekhov as well as those new to his work will be transfixed by *Reading Chekhov*. From the Trade Paperback edition.
