Amazing! -Reader reviews The Exciting Continuation Of The Beyond the Eyes Trilogy. In a rainy, misty town filled with moss-covered trees and dwarfed by wooded mountains, Astoria, Oregon, holds many secrets and eighteen-year-old Paige Reed is one of them. She's immortal, has magical abilities she's discovering, and harbors King Solomons power inside her. With his incantations, she can control the dark spirits who lurk among societies in soulless humans. But her problems are mounting. Her best friend slips into a coma, and Paige must tap into her newfound powers--powers she's unsure of--to save her. Through this ordeal, Bael who once commanded a legion of black souls, forces Paige to make a pact with him, causing her to abandon the ones she loves. When she finds out where Solomons spells are and tells Bael, she begins to have second thoughts about her agreement with him. Will Paige risk everything to claim the spells that hold the power to control the dark spirits so she can enslave Bael? Or will her one true love find her before she makes a horrible mistake? And most importantly, what does the Devils third mean and what is Bael really up to?
