

The Goblin Market: Into the Green

Beyond the goblin market the remains of a lost and broken kingdom divided by war await. The war has been over for centuries, but the kingdom still stands apart, overrun by a creeping goblin curse known as the Darknjan Wald. It is written that only one holds the power to destroy that darkness and reunite the kingdom, but the chosen one has no memory of her life or purpose. Drawn underground by the kidnapping of her younger sister, faerie changeling Meredith Drexler must brave the horrors of a world no longer familiar in order to embrace her destiny and rescue the girl from a wicked king.
