

The Redemption of Erath: Consolation

In the fallen world of Erath, a place overrun by the forces of Darkness, a young boy is taken in by his grandfather when his parents perish in a fire at his birth. Feared and misunderstood by everyone around him, Brandye Dui-Erath grows up alone, save for a single family who sees the sadness in his heart. Through his grandfathers many fireside tales, Brandye begins to learn the true nature of the world around him. As Darkness and its creatures begin to creep into the once-safe lands of Consolation, he discovers that he has a connection to the long-forgotten ancient world. As events force him down a path of ever-growing danger, he finds his destiny is to suffer both joy and sorrow, and to learn the true nature of Darkness and Death. The Redemption of Erath: Consolation is the first in a series of novels chronicling the epic journey of Brandye Dui-Erath through the dark and terrifying world of Erath - a journey that will take him to the ends of land and time and put the salvation of all men in his hands.
