Thats my current crazy trip...and when that trip includes your new fake husband, who has yet to meet his crazy-ass in-laws, the threat to your sanity ratchets up to unheard of levels. But wait...theres more. And no, thats not a line from my favorite infomercial, no matter how much I wish it was. This is reality. My quirky-crazy reality. So what happens when your pretend spouse finds out his in-laws are not your average in-laws? What if...and Im just gonna toss this idea out there. What if...theyre Mr. and Mrs. Claus? At least thats who they think they are. I know, I know...it sounds like something from a Tim Allen Santa Claus movie, right? Well, it aint. Its my hullabaloo of a Whoville life.
