

## Dantes Purgatory (v. 2)

Mark Musa again brings his poetic sensitivity and his skill as a translator to the difficult task of making Dantes masterpiece live for English-speaking readers. His rendering of the Purgatory is distinguished by the same flexible iambic verse, the same dignified understatement, and the same elegant clarity that characterizes Dantes own lofty and complex style. Musas extensive annotation as well as his prose introduction to each of the cantos reveal the hand of the careful scholar and craftsman.
