From the Publisher that brought you popular short story series Witching Call, Hostile Hearts, Earthbound Angels, The January Morrison Files Psychic Series, Ralphs Gift, Children of Time, Chains of Darkness, Tropical Storms and Friend Zone...To question the Father is to be turned into flesh...WHAT DO YOU DO WHEN YOU WAKE UP IN A DIFFERENT BODY... AND A DIFFERENT LIFE?Erick falls into a world where light is corporeal light and most beings are walking blind in spiritual darkness--Earth.Why does he have to be one of them just because he questioned their importance? He could not understand this punishment: being turned into a human. His questions are valid--he thinks it is true that humans have always been the weakest link among his Fathers creations.What does he do? Hes down, and angry, and worse of all, his wings are clipped--literally!This is the beginning--the prequel to the first book of Earthbound Angels.If you wish to read more, download now!READER ADVISORY: This story contains content that some readers may find objectionable, including sex and erotic themes.FREE BONUS SURPRISE EBOOK FOR YOU AT THE END OF THE BOOK!EXCERPTLooking at the man sitting in the chair, he was starting to have a gradual realization as to this mans identity and, at the same time, he was beginning to develop a feeling of dread within himself.Something else was also wrong.This wasnt his body. Even though he had not looked in a mirror, he could look down at himself and see that there was nothing familiar about this corporeal form he was currently encased in.Suddenly sitting upright, he frantically put his hands behind him, trying to touch his upper back.There was nothing there.Crying out, he tried to stand up quickly and failed due to a sensation of severe imbalance and only managed to fall back down onto the bed.He

supposed he should be grateful that he had fallen on the bed rather than the hard floor beneath his feet...Download and discover why readers are raving about Sandra Ross.Scroll up and get the book now!
