

Daughters of Darkwana (Diaries of Darkwana Book 1)

What if you could bring people and items from your dreams into the real world? Supernatural assassins hunt Wally Cook because of this gift. Wally, kidnapped and placed in a chemically induced coma, discovers himself trapped in Darkwana, a dystopian dreamscape laden with creatures from Japanese mythology. Wally will, if captured, serve the tyrannical Vasuki as a gateway between Darkwana and Earth. Vasuki plans to march his army through this gateway and enslave humanity. Wally, while befriended by a clan of kitsune fox spirits, must evade his hunters, defeat Vasuki, and return home in time to save his little sister. *Daughters of Darkwana* overflows with intense, epic combat; hypnotic, otherworldly settings; bestial mischief; bloodthirsty monstrosities; and a journey that will teach Wally that redemption begins with self-forgiveness.
