

## Dead to the World: A Sookie Stackhouse Novel

With the sure touch of a master (Crescent Blues), Charlaine Harris delivers the sort of vampire thrills that make Laurell Hamiltons Anita Blake novels so popular (Locus). In Sookie Stackhouse a Southern cocktail waitress with a supernatural gift Harris has created a heroine like few others, and a series that puts the bite back in vampire fiction. Now the hit series launches into hardcover for Sookies biggest twist-filled adventure yet. When cocktail waitress Sookie Stackhouse sees a naked man on the side of the road, she doesnt just drive on by. Turns out the poor thing hasnt a clue who he is, but Sookie does. Its Eric the vampire but now hes a kinder, gentler Eric. And a scared Eric, because whoever took his memory now wants his life. Watch a QuickTime trailer for the HBO original series True Blood.
