

Deep Six (Dirk Pitt Adventure)

Originally published in 1984, Deep Six is now available in a new edition. A deadly tide of poison flows into ocean waters. A ghost ship drifts across the empty northern Pacific. A luxury Soviet liner blazes into a funeral pyre. The Presidential yacht cruises the Potomac night and the President disappears without a trace. Dirk Pitt takes on a sinister Asian shipping empire in an intercontinental duel of nerves. In his most dangerous, fast-paced adventure, he fights to save the US government and to seize one desperate moment of revenge!
