

Deja Demon: Days and Nights of a Demon-Hunting Soccer Mom (Volume 4)

Ninety-nine percent of the wives and moms in the country will identify with this heroine. I mean, like who hasn't had to battle demons between car pools and play dates? Jayne Ann Krentz, New York Times bestselling author Kate Conner is an expert at multi-tasking. Wife, mom, demon-hunter. She can stuff hundreds of Easter eggs for the neighborhood fair and still have enough energy to pummel a demon back into the ether. But Kate's life has gotten more complicated... Her first husband has returned from the dead in the body of her daughter's chemistry teacher. Different body, same hot desire for Kate. Her daughter now obsesses about becoming a demon-hunter the way she used to obsess about boys. And her current husband is suddenly very suspicious of his wife's extra-domestic activities. What is she doing and who is she doing it with? And the threat has gotten bigger. A powerful high demon has returned to San Diablo, seeking not only the key to invincibility, but revenge upon Kate and Kate's family. And just in case that wasn't trouble enough, there's a new kind of evil in suburbia. The walking dead kind. And they don't mind making house calls.
