

The Wandering Knight (World of the Demonsouled short story)

Banished by his father, MAZAEEL CRAVENLOCK has spent the last six years wandering the realm as a landless knight, fighting for gold and his own amusement. But when escaping from a gang of robbers, Mazael finds a desperate young nobleman in dire need of aid to save his own father. Rescuing the boys father could be Mazaels path to fame and glory. Or to a shallow grave... ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNERS GUIDE series of computer books, and numerous other works.
