

Some Wonder: poems

Winner of the Gival Press Poetry Award-2014 & 2015 London Book Festival Award for Poetry & 2015 New England Book Festival Award for Poetry
In his powerful new collection, *Some Wonder*, Eric Nelson takes his reader abroad (and beyond) in the most refined sense of those directives. He takes us deeply into experience and into the uniqueness of place. The language is lucid, lyrical, and exactly narrative. Yet the mystery of small moments is everywhere present: in each stanza, every poem.
Katherine Soniat Don't miss reading this terrific book of poems. --Seth Brady Tucker
