

Poems Of Sleep And Dreams: R. (Everymans Library Pocket Poets)

Poets have always drawn inspiration from the wild fancies of dream-life. We spend a third of our lives asleep, and throughout history our nocturnal visions have engaged the interpretive talents of our greatest writers. It includes poems about daydreams and nightmares, about falling asleep and about waking up, about insomnia, night thoughts, monsters of the dark, twilight, dawn, and the rebirth of morning. From Yeatss Lullaby to Rosettis Nuptial Sleep, from Salvatore Quasimodos Insomnia to Thom Gunns Annihilation of Nothing, Poems of Sleep and Dreams evokes the whole haunting, magical spectrum of sleep and dream.
