

Devil on My Heels

Its 1959 in Benevolence, Florida, and life is as sweet as a Valencia orange for 15-year-old Dove Alderman. Whether shes sipping cherry Cokes with her girlfriends and listening to the Everly Brothers, eating key lime pie made by her housekeeper, Delia, or cruising around town with the coolest boy in school in his silver-blue T-bird convertible, Doves days are as smooth and warm as the soft sand in her fathers orange groves. But theres trouble brewing among the local migrant workers. Mysterious fires have broken out, and rumors are spreading that disgruntled pickers are to blame. Suddenly, black and white become a muddy shade of gray, and whispers of the KKK drift through the Southern air like sighs. The Klan could never exist in a place like Benevolence, Dove tells herself. Or could it?
