

## Devil Town (The Norothian Cycle Book 4)

Volume Four of the Norothian Cycle. (#1 The Sable City, #2 Death of a Kingdom, #3 The Wind from Miilark) Princess Allison of Beoshore undertakes a mission to the Daulic city known as Devil Town since its occupation by infernal forces. The diabolic decision she is forced to make there may compromise herself, her friends, and the entire Empire of the Code. John Deskata and Nesha-tari struggle for control of the peninsulas of the central Norothian Channel, where the governments of Ayzantium and Martas have collapsed. Tilda Lanai returns to the Underway with a trio of old friends, carrying two warrants authorized by the Codian Empire. One of Arrest, and one of Death. It will fall to Tilda to decide which is delivered.
