In the fourth edition of his successful book *The Disney Films*, author Leonard Maltin updates his classic tribute to the genius of the man who brought Mickey Mouse, Snow White, Dumbo, Davy Crockett, Cruella DeVil and Mary Poppins to movie and television screens all over the world. After examining Walt Disney's career from his early days as an entrepreneurial commercial artist up to his triumphant years as the head of an entertainment kingdom, *The Disney Films* presents a fascinating overview of every Disney film, both animated and live-action. Included are plot summaries, production credits, and insightful critical commentaries, as well as interviews with notable Disney staff members.
