

## Diva (The Flappers Book 3)

If you love *The Great Gatsby*, you'll want to read the Flappers series. Joy and tragedy collide in *DIVA*, the riveting conclusion to the Flappers series, set in the dazzling Roaring Twenties. Parties, bad boys, speakeasies—life in Manhattan has become a woozy blur for Clara Knowles. If Marcus Eastman truly loved her, how could he have fallen for another girl so quickly? Their romance mustn't have been as magical as Clara thought. And if she has to be unhappy, she's going to drag everyone else down to the depths of despair right along with her. Being a Barnard girl is the stuff of Lorraine Dyers' dreams. Finding out that Marcus is marrying a gold digger who may or may not be named Anastasia? A nightmare. The old Lorraine would have sat by and let the chips fall where they may, but she's grown up a lot these past few months. She can't bear to see Marcus lose a chance for true love. But will anyone listen to her? Now that the charges against her have been dropped, Gloria Carmody is spending the last dizzying days of summer on Long Island, yachting on the sound and palling around with socialites at Forrest Hamilton's swanky villa. Beneath her smile, though, Gloria's keeping a secret. One that could have deadly consequences ... From the Hardcover edition.
