

Men, Women, and Books: A Selection of Sketches, Essays, and Critical Memoirs, from His Uncollected Prose Writings, Vol. 1 of 2 (Classic Reprint)

Tor the power to make the greater part of this selection from his uncollected prose writings, the Author has to thank the proprietors of the Sdinburgh and Westminster Reviews of the New MimHA f Magaeme of Tait and A instocrth and the Montkbf Chronicle. The courtesy which he experienced from all these gentlemen, and the instant cordiality of those with whom he was best acquainted, merit his warmest acknowledgments. He has little to add, except that he has taken the opportunity of making a few corrections; and that he hopes the sincerity with which he writes everythiug, grare or gay, will procure him the usual indulgence for the defects that remain.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
