

Lie Down with Dogs (Black Dog Book 3)

Black Dog, Book 3 With tentative peace established in Faerie, Thierry returns to her job as a conclave marshal in Texas while the countdown to her coronation begins. But what happens in Faerie doesnt always stay in Faerie. A crown wasnt Thierrys only souvenir from her trip. Her new husband, Rook, is scheming again, and this time his plans are invading her dreams. When her best friend throws a beachside going-away party, Thierry is grateful for the distraction from Rook and from Shaw. But her presence in Daytona rouses an old evil, one who wants the future queen as the crown jewel of his private collection.
