

Cottage-Style Decorative Painting

Whimsical and lovely painting patterns with lots of fanciful flowers and lace will charm any crafter. All the projects have a light, airy, and feminine style that evokes a time gone by. Patterns and worksheets for all the pieces make the painting simple, and so do instructions on the basic techniques and a plethora of enchanting photos. So get out the brush and transform cabinet doors, wall shelves, worn or plain furniture, lamps, boxes, and even some cutout wooden shapes. The delicate projects include a Forget-Me-Not Dimensional Frame, Tea Garden Mosaic Table, Blooming Posies Topiary, and even a Scarecrow Garden Lady. A Selection of the Homestyle Book Club.
