

Window Treatments (Better Homes & Gardens)

For the do-it-yourself decorator, a basic handbook with the latest designer styles from formal to casual that allows the reader to work confidently with a seamstress or make the treatments herself. Organized in six chapters with an easy-to-understand, two-page glossary, according to type of treatment style, with a how-to technique chapter for extra help. 160 full-color photographs from real homes show true-life applications with close-ups of the latest trims and detailing. Combines classic treatments with new looks for the full range of tastes and budgets. Provides solutions to common window problems. Includes budget-stretching tips on fabrics and lining, extra tips on dressing ready-made treatments for designer-looks at retail, and measuring and calculating materials.
