

## Behind Time (Orions Children Book 2)

When it comes to fulfilling her newly revealed destiny as a hunter and destroyer of humanity's curses, Emma Merrigan has exhausted her supply of beginners' luck: She's saddled with a secret life her best friends cannot share. Her lovers have been dead for four centuries. Her mother is in a coma. Her stepfather is up to no good. And, if that weren't enough, now someone—or something—is attacking her where she's most vulnerable: in the past.
