

A Song of Betrayal (The Adventures of Weylin) (Volume 1)

Weylin, once a Keeper and second to the queen, is disgraced by his new title Outcast. One-hundred sixty-two years of lonely nights pass before he is found by an old acquaintance. They embark on an adventure that takes them across the Vetr Sea, where tales of sea creatures come to life and pirates give chase. Along this journey, Weylin must decide where his allegiances lie as the political tides in Harren are shifting. Death follows Weylin, and unless he fights, it will be his own.
