

The Strength to Serve (Echoes of Imara) (Volume 3)

How much is enough? Home after their long absence, Daro and Cecily want nothing more than to pick up the pieces of their life and return to normalcy. But outside events intrude and the memories of what they lived through aren't so easy to leave behind. Pathius languishes, an unchained prisoner in a foreign land, doubtful of his place in the world. In Imara, he is offered a chance for a new life, if he can release the ghosts of his past and accept the man he has become. As an invading army threatens their homeland, Daro, Cecily, and Pathius are drawn back into the political turmoil of Halthas. An assassin wreaks havoc in the city, a dangerous artifact is stolen, a force bent on conquest marches toward their border, and they all must take up arms to defeat an enemy their kingdom is not prepared to face.
