STAR CROSSED Series Book 3 - Winter of Discontent The art of deception will lead back to the truth. After experiencing a little bump in the road, Kayla and Kaleb are stronger than ever. But they are about to encounter their biggest challenge yet. Kaleb is determined to teach Kayla the art of teleporting her body safely from one place to another. However, her frustration lands her in a parallel life. Much to his dismay, he discovers shes traded places with an even sassier version of herself, and her alter ego is on a mission to seduce him. Meanwhile, Kayla discovers her mistake, and is now faced with fighting off the advances of a Kaleb whose dark desires spark an answering interest inside of her. Determined to remain faithful to the true Kaleb who shares her heart, she must use deception to escape in order to return to her correct time. Will these star-crossed lovers be able to deceive their alter egos long enough to set things right, or will they get lost in their baser desires?
