

## Defenders of Magic (The Magic Trilogy Book 3)

In the final instalment of the trilogy, Crystal will face her greatest challenge yet. There is a war coming and Elveria is after her blood. He alone knows he will do anything to prevent her from taking her rightful place, for if she is one day Queen and Niculmus is by her side, a peace will come to their troubled land that will leave him powerless and forgotten. After following the princess back to the Ordinary World, an accomplice tricks Matt into giving Crystal a potion which he believes will make her fall in love with him forever, but the ruby red liquid is nothing more than a deadly poison. Crystal is taken by Abaddon to the very gates of Hell but much to his dismay, she will not take her final breath. Lost between worlds, Crystals only hope is for those left behind to find a way to bring her back to the light before its too late. Each step they take will bring them closer to the truth, to a battle and more importantly, decide the fate of Crystal and The Kingdom of Nine Winters
