

## Dragons Bane (Dragon Valley Book 3)

Toby, the dragons apprentice, lives in Dragon Valley where he is learning magic from his master, Klel the dragon. But when he does magic, disastrous things happen. The dragons are struck by a mysterious illness and the gates to other worlds start opening, leaking magic and threatening to destroy the dragons valley. The only hope is for Toby, and his good friend Sanelle, to find the ancient dragon stone that was stolen many years ago. The continuing story of Toby, Sanelle and Klel the mighty dragon will delight and enthrall dragon-lovers looking for an exciting fire-breathing adventure with wings. Sequel to Dragons Apprentice
