

Dragons of Wendal (Volume 1)

Learning new magic isn't as easy as Zoe expected, especially when the mages at Gorgon University seem dead set against teaching. Add in some necessary late-night sneaking about, and Zoe is almost certain to be kicked out. As for exploring the intriguing mysteries across the border in Wendal, well, it has more teeth than she ever imagined. *Dragons of Wendal* was inspired by the short story, *Snatched*. *Snatched*, *Snatched* is still available in English and Spanish in one volume.
