

## Dads Versus The World (Dads Versus Series Book 1)

Its not easy being Dad. He took on the grocery store. John would rather sit and watch the game, but his wife needs some things at the store. Can he complete the list and get back in time to see the end of the game? He challenged Halloween. Every Halloween, Chris has the scariest house on the block and gives out the best candy. But, this year, someone is showing him up and hell stop at nothing to find out who. He went up against Santa. Erik has planned the perfect Christmas for his family. The plan is foolproof, bulletproof and flame retardant. Nothing can undo the hours of planning and preparation. Nothing except maybe odd-shaped packages, ill-timed fruitcakes or an errant neighborhood Santa Claus. He squared off against the Tooth Fairy. Erik always has a plan and hes sure he would have figured out the whole Tooth Fairy thing eventually. But, when his three-year-old son takes a frisbee to the mouth, hes forced to speed things up. Between neighborhood kids with big mouths and unhelpful dentists hes going to need to improvise. Will he bend to the pressure of inflation? Will he get caught in the act? And, what do you do with those teeth anyway? He even contended for the presidency. There comes a time in every mans life when he must stand for the things he believes in. John doesnt believe in bagging his grass. So, when a new allergy-prone neighbor gets the HOA to require it, theres only one thing he can do run for President of The Creeks of Sage Valley Phase II. John, Chris and Erik put aside most of their differences to run a campaign that they hope will see John elected as President and end the meddling of the rule-loving new kid on the block. Will they succeed? Its doubtful. Note: Previously released as The Big Book of Dumb White Husband
